Presented by Executive Council Charities, this year's 51st Annual at The Scottsdale Civic Center promises to bring the delicious food and libations of events past with elevated experiences for all.

Combining the Valley's best restaurants, world class wine, premium cocktails, and entertainment in an exclusive new and improved setting that you won't want to miss. This is not your average taste - this is The Original Taste.

Executive Council Charities is an Arizona 501(c)(3) non profit corporation whose mission is to support local youth-based charities that significantly help kids overcome adversity and reach their full potential as caring, productive, and responsible citizens.

Executive Council Charities provided grants to more than 130 charities this past year in addition to making significant commitments to sponsor major programs at Phoenix Children's Hospital, Boys & Girls Clubs of Greater Scottsdale, UMOM New Day Centers and Arizona Friends of Foster Children Foundation to name just a few.

Executive Council 70 is a group of local working professionals dedicated to helping our community's youth through a series of fundraising events and initiatives. Our 70 active and 300 life members have been assisting youth organizations for five decades and have raised more than \$10 million dollars in just the past five years.
