Executive Council 70 is a group of local professionals dedicated to raising funds and investing those donations in the most impactful programs through grants made by Executive Council Charities. Originally formed in 1972, our 70 active and 300 Life Members have been assisting youth organizations for more than four decades and raised more than $12 million in just the past five years.

Executive Council Charities is a 501c3 Arizona nonprofit corporation whose goal is to support charity organizations focused on helping the youth of our community overcome adversity and reach their full potential as productive, caring, responsible citizens. Funds are raised through signature events, including Cantina Spring Training, The Original Taste and direct contributions to our annual campaign - Support Arizona Youth.
